## **Darlington County Historical Commission**

### **July 2009 research by Eloise K. Howard (ekh)**

Transcriptions of items relative to the **BEASLEY** surname by eloise k. howard (ekh) from her research accomplished at Darlington County Historical Commission, Darlington, SC, July 2009, below listed.

The following transcriptions are made by me from original documents, copies of documents, Family Bibles, official records, newspaper clippings, written oral histories, written family trees, etc., collected and filed in "**BEASLEY FAMILY**" file at the Darlington County Historical Commission, Darlington, SC.

Mr. Horace F. Rudisill once had the title of the Darlington County Historian and served as Director/ Historian of the Darlington County Historical Commission, Darlington, SC until his death. Under his direction, accumulated information regarding "**BEASLEY FAMILY**" members was collected and found in "**BEASLEY FAMILY**" files. Mr. Rudisill is also credited for his assistance in the writing of "**History of WESLEY CHAPEL UNITED METHODIST CHURCH, Lydia South Carolina 1789-1989,**" by the author, John Lennell Andrews, Jr. ( published by The Reprint Co., Publishers, Spartanburg, SC in 1992). I purchased a copy of this 756 page volume and have found it an **invaluable resource** for the **BEASLEY** surname & surnames connected to our **BEASLEY** ancestors. I believe much of the information in that volume came from records Mr. Rudisill kept on our ancestors in the "**BEASLEY FAMILY**" file. Contact me to look up any surname in this book.

Because those who contributed their various handwritten & typed pages to the **BEASLEY FAMILY** file were subject to the same human failings as the rest of us & were likely repeating a collected family knowledge not only from personal memories but also from other varied sources while likely in various states of advanced age, be advised that **these recollections could be in error**. Therefore, I have no knowledge that collected "trees" found in Mr. Rudisill's files are **PROVEN** trees. I lend more credence to those trees that carry his handwritten notations, however.

There are some xeroxed Family Bible pages in said **BEASLEY FAMILY** files which I copied & transcribe below. You will find some family trees appear to be duplicates but there are *subtle* differences &/or additions to these trees. I think the handwritten notations found in various places on individual "family tree" papers are likely Mr. Rudisill's notations made from his collected knowledge about our ancestors. These handwritten notations are also transcribed by me whenever they appear on individual family tree pages & likely appear in **red** type. I also have copies of most of the *original* **BEASLEY** family land transactions and some Wills which I hope to complete transcribing & post at some future time. Any personal interpretations of research information are indicated by my initials, "**ekh**."

From individual *loose pages* in Darlington County Historical Commission's **BEASLEY FAMILY**" file, the following are my best efforts in transcribing those handwritten & typed pages. Much will be from "family tree" pages but please remember - these are **NOT** verified **Beasley Family** trees but rather, the collected memories of **BEASLEY** descendants or from Family Bible entries as well as the compilation of those things with official records & newspaper clippings once at the disposal of Mr. Rudisill. Unless indicated, I have no knowledge of what information was copied directly from Family Bibles. I have **not** included birth dates of those likely still living, out of consideration for their personal security.

This posting will be added to with any yet untranscribed **BEASLEY FAMILY** "trees" found in the **Beasley Family** file at Darlington County Historical Commission, Darlington, SC. You may want to check back occasionally to view any additions.

(ekh/ In the BEASLEY FAMILY file, a letter from Mrs. Jackie MYERS, Ft. Huachuca, AZ, dated 2 Feb 1981, states the following):

*“Horace Fraser Rudisill  
Darlington County Historical Commission  
Darlington, SC*

*2 February 1981*

*Dear Mr. Rudisill,  
Thank you.....*

*I must admit to being more puzzled than I was before receiving your letter. You have two **Reuben BEASLEYS** and I have two, but they don't seem to mesh. I am fascinated by the things you wrote concerning “your” younger Reuben. I think he might be “my” older Reuben. What follows is an outline of what I found on the 1870 census of Pulaski County, Arkansas. If we can establish a tenable tie, do please go ahead and copy the documents you mentioned (those pertaining to “your” younger Reuben), and bill me.*

**REUBEN BEASLEY**, b. ca. 1821 SC (a. 49 in 1870); w. Elisabeth, children: Lucius, Amanda, Presten, Elisabeth, Lillis V. Based on birthplaces of the children, and their ages, this family was in S.C. until at least 1859.

**MARGARET BARNES** (living next door to above family) - a widow, aged 56 (so born ca. 1814 - in S.C.). She had 6 people in her household, one a 19 yr. old male named **Reuben BARNES**. Also an 82 yr. old man named **REUBEN BEASLEY**. All were born in S.C. possibly there until 1867, but impossible to tell for sure.

Who was the son in Ark. that your younger **Reuben** went to live with? Do you have a name? It strikes me that the 49 yr. old REUBEN could well be his grandson instead of his son.

.....I'm certain that my two REUBENS must be related but are they related to the REUBEN from Darlington Co.?

Sincerely, Jackie Myers”

(ekh/ In the BEASLEY FAMILY file, I found a Mrs. FIELD’s letter of 3 July 1988):

“Clerk of Superior Court

4. Complete estate records of **John HARRELL, Sr.**
7. Court proceeding of **Charles Beasley and w. Sarah**

5. Original Land Grant of **John Beasley (Sr) 1773** on Sparrow Swamp and Jumping Gully

6. In addition, several other documents of children of **JOHN BEASLEY SR. and MARGARET (MILLY) SMITH.**

My main concern is with **John Beasley, Jr. and Suzanne, called ANNE.** It would be nice to have the guardians of their minor children; but not crucial.

I hope this explanation will be of help to you. As you know, many of the packets were either missing or were not numbered when I handcopied in Darlington in 1978.

Yours Truly,  
Dorothy Rogers Keith “
